A Hike on Bowen Island (Faye Brownlie)

Name: _____ Date: _____

Walk onto the Bowen Island Ferry at Horseshoe Bay in West Vancouver and ride for 20 minutes. You will arrive in Snug Cove on Bowen Island. Here you will find many hiking trails that wander through the temperate rainforest.

You can start your hike right at the marina. If you are lucky enough you might spot a heron, standing still as it watches for fish. You certainly will see ducks and Canada geese as they paddle around the boats. Of course, seagulls will be swirling about, screeching as they search for food, and diving to catch French fries.
