Angela Chalmers

Name: _____

Date: _____

A Runner

Angela could run long distances without getting tired. She tried her hardest to run faster every time she raced.

At the age of only 16, Angela broke a record in an 800-metre race. She ran the distance faster than any girl in Manitoba had ever run it before.

In 1981, Angela went to the Canada Summer Games. This was her first big race. She won two silver medals!
