

3. Write 2 questions you could ask to learn more about the Fraser River.

extending questions

Are there other types of fish in the Fraser river?

Do people swim in the Fraser river?

4. When you come to a part in reading that is hard, how do you help yourself?

I would try to sound it out, if it was too hard to sound out, I'd use context clues.

INTERVIEW:

personal

What connections can you make to this article about the Fraser River?

I've seen a salmon swim in the Fraser when we were learning about rocks last year and were collecting rocks near the Fraser River.

Look at the map. Think about the map and about what you read. What do you learn when you read this map?

map reading

The Fraser is so long, it goes all the way from Vancouver to the Alberta border. There are rivers going off the FR.
