

3. Sketch a grey wolf resting on a cold winter day OR sketch the attack of a wolf pack on a moose. Label your sketch with at least three important details. Use this space OR a separate page for your sketch.

4. What two questions could you ask to find out more about grey wolves?

① How many different types of wolves are there in the world?

② How long can wolves live for?

5. Was this easy or hard to read? Explain why.

It was pretty easy because I read lots in my spare time and don't just skim through I actually read and if it doesn't make sense I read it over.
