

3. Would you want to be a storm chaser? Why or why not? You might want to answer this question as a cartoonist, using speaking and thinking bubbles. P.T.O

4. Why would the work of storm chasers be important to people living in B.C.?

Support  
for  
reasoning

It would be important because we have lots of lightning and thunder storms. And occasionally we have a blizzard. Storm chasers help by telling kids if there's school or not and many other ways.

5. Was this easy or hard to read? Explain your answer.

I thought it was easy to read because the words weren't too hard and it went together.
