

Mital

3. Sketch the pair of Rudy's legs that he uses for running. Label your sketch with several details.

specific ref.

4. What challenges would you face if you needed a prosthetic arm?

If I had a prosthetic arm I think it would be hard for me to hold on to tiny things it might take long for me to get used to it. I might have trouble writing and all the other small things because of it.

analysis, reasoning

5. Was this easy or hard to read? Explain your answer.

This was easy to read. The only thing I had trouble with was some of the words when it came to labeling the diagram
