

## Worksheet: Grade 7 Reading for Information

This worksheet includes the criteria from the “Fully Meets Expectations” column of the Grade 7 Reading for Information Quick Scale. Teachers can use the third column to plan instruction or assignments, tailor or elaborate the criteria for specific activities or students, adapt the criteria for other grades/times of year, record observations, or give to students for self-evaluation.

**Snapshot:** The student is able to read straightforward information and procedures that include some specialized language and complex ideas. Work is accurate and complete.
