A Pack of Wolves (Vicki Leon)

Name: Deanna Female Male School: _____

1. "Wolves have very good senses." From what you have read, prove this statement using the following chart:

Sense	Example
eyes	they can spot a rabbit 350 metres away
ears	can hear mice under the ground with their large ears.
Smell	can smell its prey over a kilometer away when the wind is just right

words of author

2. What do you think the wolf who is on the ground (picture, page 5) is learning?

good reasoning

I think the wolf is learning to hunt by play fighting with another wolf like every wolf learns at a young age. Also I think the wolf can be competing for something both wolves want or just plain fighting and learning its rank
