

3. Would you want to be a storm chaser? Why or why not? You might want to answer this question as a cartoonist, using speaking and thinking bubbles.

No because
I draw my own pictures

no storms
in B.C.

Why would the work of storm chasers be important to people living in B.C.?

because the storm chasers could
perolcked when a storm is coming
and if you live in B.C. and that
weir the is next they can
get perpaired

little evidence
of under-
standing

5. Was this easy or hard to read? Explain your answer.

easy because I read slow and
I make sure know every
single word
