3. Sketch the ^{design} pair of Rudy's legs that he uses for running. Label your sketch with several details.

4. What challenges would you face if you needed a prosthetic arm?

If I had a prosthetic arm it would be hard to run and play at first but later after being in a wheelchair for 3 months, after 3 months I would be able to run and play and swim and other stuff.

5. Was this easy or hard to read? Explain your answer. I think it was easy because I could understand what they were saying.
