SPRING

Thrills and Chills (Jeff Savage)

Name: Garred Female Male School: _____

- Using the Venn diagram, compare steel coasters to wooden coasters. Use the back of the page for your answer.
- Examine the chart "Roller Coasters Over Time." What are two things that surprise or interest you in the timeline?

they are because they are fun.

- Using the back of this page, diagram with labels to explain the details of North America's first roller coaster.
- What do you predict will be the next improvement in roller coasters? Why?

speed, for more fun.

- Was this easy or hard to read? Explain why.

easy, because
