

Name: Liona School: _____ Date: _____

1. Explain, in your own words, why the name 'Dragon Caves' is appropriate ✓
for these caves. examples: "snake-like body" ✓
"sentinel of treasure" - the vase...

logical

The name is appropriate because people believe all the symbols of a dragon are represented in the caves

2. Study the chart "Subdivision of the Cenozoic Era, Tertiary Period - Age of Mammals and Birds". Explain, in detail, how the information in the chart adds to the information in the following paragraph.

Vague Needs example

The chart aids readers in further understanding why and how the caves are formed. It also gives us information we can connect to when we read the next paragraph section

3. Reread the section "Discovery". Make accurate, detailed notes on this section. Use headings and categories to organize your thinking. Please use the back of this page for your notes.

- see reverse

4. Why do you think people have been so interested in these caves? Support your thinking with at least 3 points.

complete

I believe these caves are of interest to people because of the things found in them (11th century vase). There is mystery around why people came here and what they did. Lastly, I think that the natural beauty in the caves are reason enough to be interested in them

5. When you come to a part in your reading that is more difficult to understand, what do you do to help yourself?

thorough

- look for clues (ie headings, diagrams, etc)
- re-read sections
- look for footnotes or a glossary
- read the first paragraph in the section (it's often an introduction)
- ask myself questions after re-reading as a way to "quiz" myself
- try to draw from prior knowledge/make connections
